## About us!

Since 1972, Meridian's mission has been to eliminate addiction by working with individuals and their families through recognition, prevention, consultation, healthcare, communication, support, and treatment in a manner that is person-centered and respects the dignity of every person. As a nonprofit organization, it is important to host fundraising events to continue to aid in the growth of our prevention programs in local schools, encourage more individuals to seek treatment, and to provide recovery support for those who need it. We believe *Laughter is the best medicine* and The Shut up and Laugh Comedy Show is an opportunity to come together and have fun, while supporting these important programs. If you are interested in attending the show in addition to a Program Ad, please visit our website to purchase tickets:
